Young Miners of SME Arizona Call for Raffle Donations

Proceeds benefit the Young Miners of SME Arizona Outreach and Volunteer Activities

Young Miners of SME Arizona

We are a group that includes recent graduates and individuals with less than 15 years' experience who are working in Arizona's mining industry, including Miners, Contractors, Suppliers, Sales Representatives, Technicians, Engineers, Geologists, Designers, and Consultants.

This is not a traditional SME dinner meeting with program, but a casual networking event for the mining industry at Barrio Brewing!

We are looking for companies and individuals to donate prizes to be raffled off throughout the evening.

- Raffle donations ideas include gift cards (of varying amounts, but preferably starting at \$50), golf clubs, tools, sports tickets, movie tickets, gift baskets, etc.

Raffle Tickets will be sold for: **\$5 per ticket or 3 tickets for \$10.**

If your Company or a Vendor Rep affirms that the Young Miners of SME Arizona will be receiving a prize donation, please send a logo file so that we can put a 'Thank You' board together to show our appreciation.

To donate a raffle prize, please email us at: info@youngminersaz.com

For more information on the event, see the Event Details sent out by SME Tucson below.
